ISTITUTO NAZIONALE DI ASTROFISICA
NATIONAL INSTITUTE FOR ASTROPHYSICS

POST-DOCTORAL FELLOWSHIP PROGRAM 2003

The National Institute for Astrophysics (INAF) offers 14 post-doc grants for research activity in **Astronomy, Astrophysics** and **Cosmic Physics** areas for research to be carried out at its Observatories, as listed below. Two of these grants are finalized for *Optical interferometry* and two for *High-frequency Radioastronomy*. Depending on the available INAF budget, the number of fellowships may be increased up to 19.

INAF fellowships are intended for people holding a PhD, or equivalent degree, in the above fields, and who are not older than 35 years, as of 22nd August 2003. Candidates should submit their application by using the attached form (**Annex 1**).

Candidates should indicate two of the following Observatories, one of which as their first choice, where to carry out their proposed research program:

- Arcetri Astrophysical Observatory (<http://www.arcetri.astro.it>)
- Bologna Astronomical Observatory (<http://www.bo.astro.it>)
- Brera Astronomical Observatory (<http://www.mi.astro.it>)
- Cagliari Astronomical Observatory (<http://www.ca.astro.it>)
- Capodimonte Astronomical Observatory (<http://www.na.astro.it>)
- Catania Astrophysical Observatory (<http://woac.ct.astro.it>)
- Padova Astronomical Observatory (<http://www.pd.astro.it>)
- Palermo Astronomical Observatory (<http://www.astropa.unipa.it>)
- Roma Astronomical Observatory (<http://www.mporzio.astro.it>)
- Teramo Astronomical Observatory (<http://www.te.astro.it>)
- Torino Astronomical Observatory (<http://www.to.astro.it>)
- Trieste Astronomical Observatory (<http://www.ts.astro.it>)

Each fellowship is granted for one year and may be extended for a second year on the basis of scientific results and budget availability. The annual gross salary is Euro 20,000.00 and it is not compatible with other grants or salaries.

Applications must be submitted, by registered mail or express courier, to ***Post-doc fellowship Program 2003***, c/o INAF (*see address below*) no later than **22nd August 2003**. In addition, a copy of the application should be sent by e-mail or by fax-simile at the address indicated below.
